Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 4. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

Essential grammar reference and practice for anyone using English in a business context. Grammar for Business is a must-have for intermediate business students and anyone using English in the workplace. It provides clear explanations and authentic practice of the most essential language used in business English. Designed to help you improve your communication skills in real business situations, it includes a unique focus on spoken as well as written grammar, and practical tips on areas such as organising presentations, negotiating and giving your opinion.
